

**Change Log:**

•fg-060210

- legenda redefined “TBD” to “reserved”
- 2U DQM PC rackmount reservation, per request of Andrey Korytov.
- Dubna HV system reservation (pending cable length)
- reshuffled FED/Slink and Trigger NIM crate
- To be Changed/Updated:
  - Alignment location (minor vertical airblock)
  - Location of Alignment PC
- TBD: LV for alignment.

•fg-060208

- gas/dcs desktop pcs will go in corner of Green Barrack FED room. No need for dedicated rackmounts
- Wiener CSC LV (AC-DC) and ME1/1 HV reservations confirmed
- alternative for DQM PC not clear
- rearranged HV rack (TBC by Madorsky):
  - split b2a04 into vertical and horizontal airflow segment
  - move HV MC#1 to b2a03
- provisional alignment reservations (based on estimates by Sytnik)
